

March 19, 2012

Mr. Jeffery Raines
Terraphase Engineering Inc.
1404 Franklin Street, Suite 600
Oakland, CA 94612

Certification Number
438212

Dear Mr. Raines:

I am pleased to notify you that the Port of Oakland has certified your firm as a **LIABE (Local Impact Area Business Enterprise) / SBE (Small Business Enterprise) / VSBE (Very Small Business Enterprise)** operating in the **City of Oakland**. Please note that your certification expires on **4/30/2014**. You may apply to renew your certification no sooner than 3 months prior to its expiration date, please contact the Social Responsibility Division to request the necessary updated documents that will need to be submitted.

At any time should your office have any changes in ownership, structure, location, or focus of your business, you are required to notify our office immediately. Failure to do so may result in decertification.

Your business will be included in the Port Certification Database using the information submitted in the Certification Application and other supporting documents. This database provides businesses with free advertisement. A wide range of businesses, such as community based organizations, variety of vendors and construction contractors are listed. The database also includes a listing of professional services and a host of other important information to assist you with your outreach process. Projects and a list of certified companies are listed on the Port's website, www.portofoakland.co, and projects are advertised regularly in the legal notices in the Oakland Tribune. If you have any questions, please do not hesitate to call Pamela Bell at (510) 627-1419.

Sincerely,

Lila Zinn
Contract Compliance Supervisor
